# NAVIA BENEFITS ACADEMY

2022 Open Enrollment Program

Over the last few years, we have seen significantly better enrollment results with our virtual program than in-person events.

Clients who participate in our email campaign see an average **15% increase**

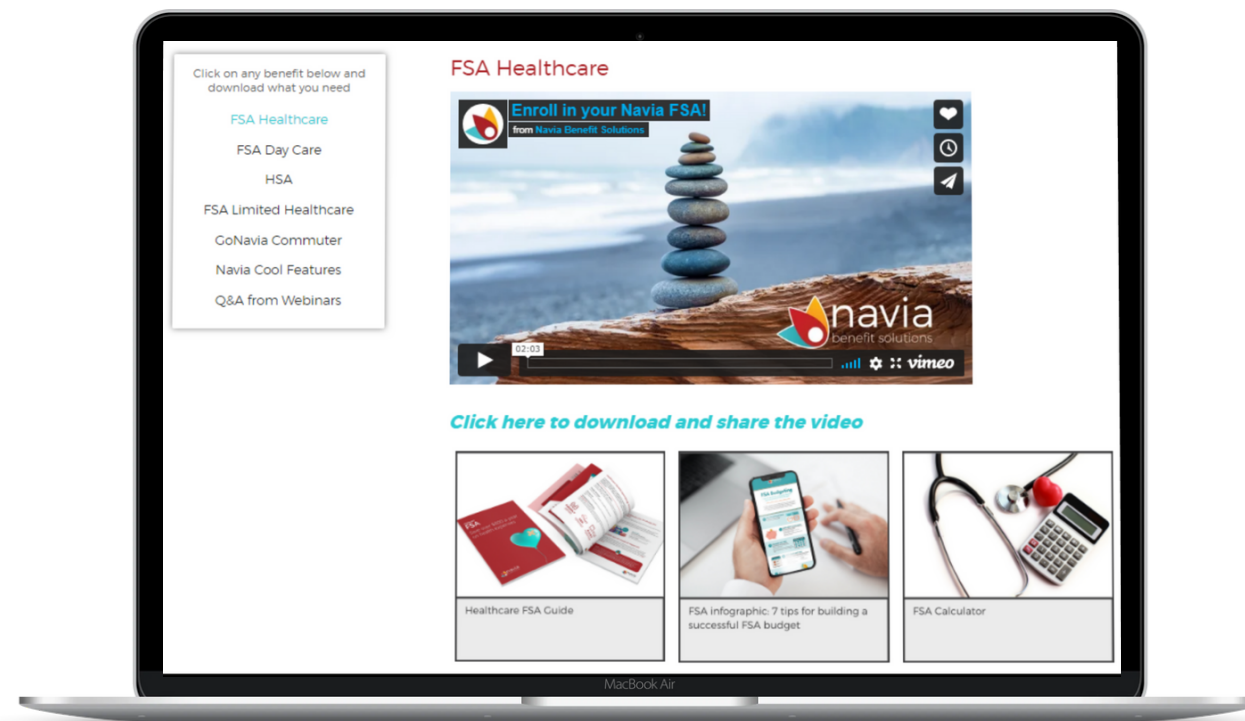

Clients who participate in our OE webinars see an average **6% increase** in enrollment

Our in-person events only return an average **1.5% increase** in participation.

Those extra participants add up to big savings when you think about it in terms of your FICA savings!
