

FlexConnect

Get reimbursed for all healthcare claims with one click!

FlexConnect collects all your health, dental, vision, and prescription claims in one central location and allows you to submit for reimbursement with your FSA.

Easily identify FSA eligible expenses

FlexConnect automatically downloads all your insurance claims and identifies expenses that can be reimbursed with your Flexible Spending Account.

Automatic preparation and submission of claims

Review prepared claims and submit for reimbursement with the "Reimburse me" button

Track your FSA balance

Keeps your FSA balance up-to-date with current reimbursements to make sure you don't lose money at the end of your plan year.

Secure and private

Our dedicated security team used bank-grade security and encryption to safeguard your information. Your account is private and is for your eyes only, your company cannot see any information on FlexConnect.
