Partner integrations that bring value

Navia partners with a variety of companies who help make benefit management easier and add value to our benefit offerings. Our partnership with FSA Store saved participants more than \$87K last year on FSA eligible products and partnerships with companies like ADP and Employee Navigator make it easier for brokers and employers to connect with Navia.

We make data connection easy and can connect with any file vendor

We offer enhanced participant experiences with these partners

Unparalleled service, no matter where you are

Navia serves 10,000+ employers across all 50 states. We have 30 years of experience serving the benefits industry and we are committed to providing unparalleled service to our brokers, employers, and participants.
