## Increase your annual income up to \$2,000!

### Don't miss out on your benefit savings

Hi FIRST NAME GOES HERE,

We can all use a few extra dollars in our pocket these days. Your company, COMPANY NAME GOES HERE, offers a great benefit plan to help you save throughout the year. Your benefit open enrollment period is coming up and we don't want you to miss out on signing up for your PLAN NAME GOES HERE.

Tax savings accounts like the ones in your Navia plan allow you to set aside money pre-tax, which means you get 100% of your funds instead of losing 30% to taxes. **It's like getting free money, and it can add up to \$2,000 a year back to your family budget.** That's equal to one month of free rent or four months of groceries!

You can save the  
equivalent of

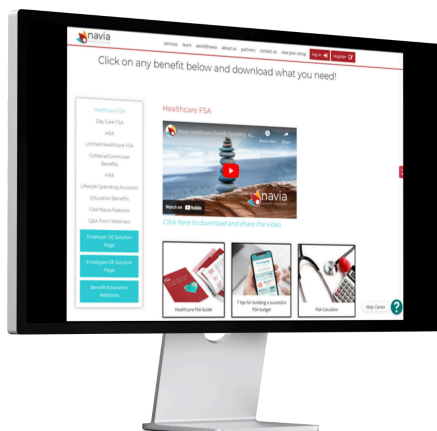

4 months of  
groceries

One month  
of rent

If you plan on spending even a dollar out-of-pocket on any of the expenses covered in your plans above, you should consider enrolling, and save an average of 30% on every expense.
