

**WA STATE SEBB CHANGE IN STATUS FORM**  
**NAVIA BENEFIT SOLUTIONS**

Employees may enroll or revoke their Medical Flexible Spending Arrangement (FSA) or Dependent Care Assistance Program (DCAP) elections and make a new election when a special open enrollment (SOE) event occurs. The change you make must correspond to and be consistent with the event that creates the SOE. For example, if your dependent stops meeting School Employees Benefits Board (SEBB) eligibility rules mid-year, that event only allows you to decrease your DCAP election amount. Your employer must receive this form **no later than 60 days** after the SOE event that allows a change to your Medical FSA or DCAP. You also must provide your employer with evidence of the qualifying event that created the SOE.

**Special flexibility due to COVID-19:** An Internal Revenue Service (IRS) rule change that passed in December 2020 allows you to change your 2021 Medical FSA or DCAP election without a qualifying event. This opportunity is available three times: in March, June, and September 2021. To change your election, contact your payroll or benefits office for specific deadlines.

If you have transferred to another school district, educational service district, or charter school in a position eligible for SEBB benefits, and you had 30 days or less between employments, do not use this form. Instead, use the *SEBB School Employment Transfer Form*, available at [sebb.naviabenefits.com](http://sebb.naviabenefits.com), to continue your Medical FSA or DCAP elections. You must tell your new employer about your Medical FSA or DCAP account **no later than 31 days after your first day of work** with the new agency and before December 31, 2021. You cannot change your election due to a transfer.

**Change due to termination or leave of absence (ineligible for benefits):**

Check the box below to select how your employer will handle your contributions. Please check with your employer to find out which section is allowed by your payroll or benefits office.

**Medical FSA:**

- Accelerate contributions from last paycheck to continue participation with your employer for total annual contributions on a pre-tax basis, **if allowed** by your payroll or benefits office.
- Continue Medical FSA participation (by submitting COBRA election form to Navia Benefit Solutions) and pay monthly contributions through the employer to participate until plan year-end on an after-tax basis. This is available to participants who have claimed less than they have contributed.
- Arrange a schedule with payroll or benefits office to “catch up” Medical FSA payments when returning to work. (Applies only to leave under FMLA and requires **prior** employer approval. You will not be able to claim expenses incurred during the leave. Or make arrangements with your employer about your contributions before going on leave.)
- Terminate contributions and participation. (For FMLA leave: when you return to work, you may resume the same deductions through your employer – automatically decreases annual election – or increase deductions to maintain your annual election.) Any expenses incurred during FMLA leave are not eligible for reimbursement.

**DCAP:**

- Stop contributions and allow reimbursement for eligible expenses. (Note: only expenses incurred while working or looking for work will be reimbursed).

**Debit card holders:** Your debit card will become inactive if your Medical FSA or DCAP participation as an employee ends. After that, submit claims online, or by mobile app, fax, email, or mail before the end of the claims filing period.

**Section III – Change of Election for Medical FSA**

Write your new contribution amount for each paycheck and fill in the rest of the fields to calculate your new annual election.

$$\frac{\text{New per paycheck}}{\text{New per paycheck}} \times \frac{\# \text{ of paychecks remaining}}{\# \text{ of paychecks remaining}} + \frac{\text{Year to date contributed}}{\text{Year to date contributed}} = \frac{\text{New annual election}}{\text{New annual election}}$$

- Decrease Medical FSA annual election to \$** \_\_\_\_\_

*I verify this amount is not lower than either the amount I have contributed or the amount I have spent to date, whichever is higher. The minimum annual election is \$240.*

- Increase Medical FSA annual election to \$** \_\_\_\_\_ *Subject to the plan year maximum: \$2,750*

**Section IV – Change of Election for DCAP**

Write your new contribution amount for each paycheck and fill in the rest of the fields to calculate your new annual election.

$$\frac{\text{New per paycheck}}{\text{New per paycheck}} \times \frac{\# \text{ of paychecks remaining}}{\# \text{ of paychecks remaining}} + \frac{\text{Year to date contributed}}{\text{Year to date contributed}} = \frac{\text{New annual election}}{\text{New annual election}}$$

- Decrease DCAP annual election to \$** \_\_\_\_\_

*I verify this amount is not lower than either the amount I have contributed or the amount I have spent to date, whichever is higher.*

- Increase DCAP annual election to \$** \_\_\_\_\_ *Subject to the new 2021 plan year maximum: \$10,500*

**Section V – Signature**

Employee's Signature \_\_\_\_\_ Date \_\_\_\_\_

Employer's Signature \_\_\_\_\_ Date \_\_\_\_\_

**RETURN THIS FORM TO YOUR EMPLOYER WITH SUPPORTING DOCUMENTATION (if required)**

If the employee revokes existing elections due to termination and experiences more than 30 days break in SEBB benefits coverage in the same plan year, they cannot enroll or reenroll in a Medical FSA or DCAP.

**For payroll or benefits office staff:** Review this form, check Sections III and IV for accuracy, verify any required supporting documentation, and sign Section V. Return the form to Navia Benefit Solutions by fax, email, or mail.
