

## Eligible Expenses for your Limited Purpose FSA

The Limited Purpose Flexible Spending Arrangement (LPFSA) covers dental and vision care expenses for you, your spouse, or your qualified dependents. Below is a list of common expenses that may be eligible for reimbursement, eligible expenses that may require extra documentation, and ineligible expenses. **Not all eligible or ineligible items are on this list.** For a full list, visit [sebb.naviabenefits.com/benefits/expenses](http://sebb.naviabenefits.com/benefits/expenses) or call Navia Benefit Solutions at 1-800-669-3539.

**You are responsible** for providing sufficient, accurate information when submitting claims for reimbursement. To ensure compliance with IRS requirements, Navia Benefit Solutions reserves the right to require additional documentation for any claim.

### Common Eligible Expenses

Contact lenses and solutions	Guide dog training and care
Dental copayments or coinsurance	Lasik
Dental services	Prescription sunglasses
Dentures	Reading glasses
Eye drops and treatments	Orthodontia
Eyeglasses	Vision care

### Additional Documentation Required

Certain expenses are not reimbursable under a Limited Purpose FSA unless a licensed health care practitioner states in writing to Navia Benefit Solutions that the service or product is medically necessary. Navia will need a Letter of Medical Necessity (LMN) for those type of expenses before they can be reimbursed. For a list of expenses eligible with a LMN and to download a printable copy of the LMN, visit [sebb.naviabenefits.com](http://sebb.naviabenefits.com) or call Navia Benefit Solutions at (800) 669-3539.

### Common Ineligible Expenses

The following expenses are **not** eligible under a Limited Purpose FSA. Under no circumstances will the following items be reimbursed. **Do not submit claims for these items.** For a complete list, visit [sebb.naviabenefits.com](http://sebb.naviabenefits.com) or call Navia Benefit Solutions at 1-800-669-3539.
